

What for? Because it's fun, and the world needs grassroots graphics, texts, proven advice, and more shared creative play. Besides, manual therapy is good for everything.

Plenty of free zines, including the ones made by Warsaw Zine Club, can be found at [www.gniazdoswiatow.net](http://www.gniazdoswiatow.net)

# WARSAW ZINE CLUB

come make art

## MANIFESTO

How do you make zines? You take paper and something you can use to leave marks on paper, and that's it. You can write or draw, you can also cut out letters and pictures from newspapers and glue them on. Stamp. Spill coffee (a bit of a waste, but things you do for art).

WARSAW ZINE CLUB IS NOT A FORMAL ORGANIZATION, NOR EVEN A TIGHT-KNIT GROUP; IT HAS NO AGENDA, AND THE ONLY GUIDING PRINCIPLE IS TO HAVE FUN MAKING ZINES.

WHAT ARE ZINES? THEY'RE SMALL, INFORMAL PUBLICATIONS ABOUT EVERYTHING - ABOUT MUSIC, LITERATURE, SOCIAL ISSUES, WITH DRAWINGS AND PHOTOGRAPHS, ABOUT PERSONAL MATTERS, AND ABOUT WHATEVER ELSE YOU CAN THINK OF.

WARSAW ZINE CLUB MEETS ONCE A MONTH AS PART OF SKOFA MEETINGS - SOCIAL GATHERINGS OF FANDOM FROM THE WARSAW METROPOLITAN AREA.

GODAI BRINGS PAPER, MARKERS, PENS, AND OTHER THINGS AND ENCOURAGES EVERYONE TO PARTICIPATE. WE MAKE ZINES TOGETHER, BUT EVERYONE CAN ALSO WORK ON THEIR OWN. GODAI PROVIDES SUPPORT OF ALL KINDS.
